PATIENT AUTHORIZATION

Please read the following carefully, then sign and date where indicated on page 1.

I authorize my health care providers, pharmacies, and health insurers, and their service providers ("Providers") to disclose information relating to my insurance benefits, medical condition, treatment, and prescription details ("Personal Information") to Advanced Accelerator Applications USA, Inc (a Novartis Company) ("AAA"), and the Novartis Patient Assistance Foundation, Inc. ("NPAF"), and its service providers so they can provide the following support services ("Services"):

- · Help coordinate insurance coverage for, access to, and receipt of my medication
- Communicate with me about possible financial assistance, including AAA co-pay or NPAF programs, and, if I am enrolled, administer my participation in these programs
- Communicate with me about my medication and treatment, including reminders, health and lifestyle tips, and product and other related information. Communications may be customized based on Personal Information obtained from my Providers
- Conduct quality assurance and other internal business activities, and ask for feedback related to the Services or my treatment

In delivering the Services, AAA and NPAF may share Personal Information with each other, with my Providers, or with government agencies or other financial assistance programs that might help me pay for my medication. They may combine information collected from me with my information collected from other sources and use that information to administer the Services. My pharmacies or other health care providers may receive payment from AAA for providing certain aspects of the Services, such as medication or refill reminders, based on my enrollment or participation. Once I authorize disclosure of my Personal Information, it may no longer be protected by federal health privacy law and applicable state laws

I understand that I do not have to sign this Patient Authorization to get my medication or insurance coverage, that I have a right to a copy, and that I can cancel this Authorization at any time by calling 1-844-638-7222 or by writing to AAA PatientCONNECT™, 4199 Kinross Lakes Parkway, Suite 220, Richfield, OH 44286.

This authorization will expire 5 years after I sign it, or earlier if required by state law, unless I cancel it sooner. If I cancel it, I may no longer qualify for Services from AAA or NPAF, but it will not impact my Providers' treatment or my insurance benefits. I also understand that if a Provider is disclosing my Personal Information to AAA or NPAF on an authorized, ongoing basis, my cancellation with AAA or NPAF will be effective with respect to that Provider as soon as they receive notice of my cancellation. Cancellation will not affect prior uses or disclosures.

I agree for myself and certify (if applicable) that my caregiver agrees to receive non-marketing calls and texts from Novartis or NPAF, including through an autodialer or prerecorded voice, at the number(s) provided.
