WHAT SHOULD I KNOW ABOUT AAA PatientCONNECT™ AND INSURANCE COVERAGE?

We are here to help verify your insurance coverage benefits

The first step in starting your treatment will be verifying your insurance coverage benefits.

Please contact your health care provider, care team, or AAA PatientCONNECT™ for more information.

WE'RE THINKING IT THROUGH WITH YOU

You may have more questions about starting a new treatment. You're not alone and our Patient Navigators can provide you more information.

Some of the most common questions about insurance coverage are:

- ☒ Does my insurance plan cover and pay for my treatment?
- ☒ How much will my insurance plan pay for my treatment?
- ☒ Will my insurance plan require additional verification to approve and pay for my prescription?
- ☒ Will my insurance plan pay for other services related to my treatment?

WHAT IS A PRIOR AUTHORIZATION?

A prior authorization is an additional step some insurance plans require to approve your treatment

Typically, a prior authorization form is initiated at the same time your insurance coverage benefits are verified.

ARE FINANCIAL ASSISTANCE OPTIONS OFFERED THROUGH AAA PatientCONNECT™?

If you have commercial or private insurance, you may be eligible for co-pay assistance

We understand paying for medical treatments can sometimes be a burden, including co-pays. A co-pay is the amount of money your insurance company asks you to pay for an appointment, procedure, or medication.

The AAA PatientCONNECT™ co-pay program is available to patients with commercial or private insurance (that is, insurance provided by an employer or purchased individually) who meet specific eligibility criteria.

CO-PAY ASSISTANCE STARTS WITH ENROLLMENT

Once you enroll in AAA PatientCONNECT™, you will be considered for co-pay assistance. To start the process, check with your health care provider or care team to make sure your enrollment forms are fully completed, signed, and submitted. See page 3 for more details on how to enroll in AAA PatientCONNECT™.

If you are already enrolled in AAA PatientCONNECT™ and want to check your eligibility for co-pay assistance, call your AAA PatientCONNECT™ Patient Navigator at 1-844-638-7222, Monday through Friday from 8:00 AM to 8:00 PM ET

Additional affordability assistance may be available

If you don't have commercial or private insurance (for example, Medicare or Medicaid insurance), you may be eligible for other affordability options. Call a dedicated AAA PatientCONNECT™ Patient Navigator at 1-844-638-7222, Monday through Friday from 8:00 AM to 8:00 PM ET, to learn about other available support programs.
